Convenient childcare for working moms

ABOUT US

Bright Brains is a venture driven by the passion of a working mom with two young kids to provide safe, high-quality childcare. Akanksha Gupta has over 15 years of corporate experience with MNCs and has completed her BE (Mumbai) along with an MBA from USA. After spending 10 years working in USA, she struggled to find good-quality childcare facilities around Thane. So, she decided to give up her corporate career to pursue her passion in children's education. She opened her first independent centre (Bright Brains — The EB Club) and expanded to provide on-site day care and creche services for

corporate clients.

PROGRAMMES OFFERED

Child Care

Bright Brains provides high-quality childcare in an environment with music, stories, outdoor play and learning simplicities. Parents are provided daily reports with details around meal, nap, toilet and learning activities.

Preschool

A combination of montessori and playway method is used for an educational experience, promoting social, emotional, literacy, numeracy, physical and cognitive development.

English and Math

Programme

It has partnered with The EB-Club (UN Awarded programme) to provide

Owner Akanksha Gupta

HIGHLIGHTS

- Independent, corporate on-site creche services
- Safe, secure (CCTV) and hygienic environment
- Indoor and outdoor play areas
- Low student-teacher ratio
- United Nation award-winning e-Block activities — Phonics, Grammar, Spoken, Written English and Math

English and Math programmes for kids. The English module focuses on phonics, grammar, written and speaking ability. The Math Programme focuses on building operational skills, enhancing logical thinking and analytical abilities.
